

CANCER SCREENING: The

Kansas Masonic Foundation will host a free cancer screening in partnership with the Midwest Cancer Alliance from 10 a.m. to 1 p.m. at Labette Community College. In addition to skin cancer screenings, the KMF also offers prostate cancer and bone density screenings as well as breast cancer information. Anyone wanting to get a free cancer screening can just stop by the LCC Sonny & Sophia Zetmeir Health Science Building. Anyone with questions can call Jerry Kuffler at 423-4153.
